Join the Excitement!

Bluejay volleyball excitement is in full swing, and we hope you'll be a part of it! After our inaugural year in D.J. Sokol Arena inside the Ryan Athletic Center, there is no doubt our phenomenal 2,950-seat arena is a huge home court advantage and is one of the TOP volleyball venues in the country.

After finishing the 2009 season ranked third in the country in blocking, we plan to build on that momentum with a great returning core of players and an outstanding 2010 incoming class. There is great energy and excitement for the 2010 season.

With the economic downturn, this golf outing has taken even larger relevance. No doubt, across the board budgets are tight, and the volleyball program is no exception. We hope you will make a special effort to come enjoy a wonderful day of golf and support these young women. The money raised will be used for travel, apparel, equipment – the necessities for a successful program.

Thank you in advance for your effort to make the Creighton Volleyball program GREAT. If you are not a golfer, we invite you to attend the dinner and social that follows the golf outing. If you are unable to attend, you can still support these student-athletes by being a hole sponsor.

I often find myself reflecting on how fortunate I am to work at such an amazing institution, work with an outstanding staff, but most importantly, have the chance to work with the wonderful young women who make up the team. They are incredible people and I hope you will come out and spend some time getting to know them at the golf outing. Thanks again for your support of Creighton Volleyball.
